

Stop & Shop Now Accepting EBT Card Payments for Connecticut SNAP Customers Shopping Online for Pickup and Delivery

Hartford, CT (August 26, 2021) – Stop & Shop today announced that those in Connecticut using SNAP (Supplemental Nutrition Assistance Program) benefits now have the option to pay with an EBT (Electronic Benefits Transfer) card when placing online orders for Stop & Shop Pickup and Delivery.

The new user-friendly experience offers online grocery shoppers the option to add their EBT card to their account on StopandShop.com and shop using their SNAP funds. While browsing online aisles, SNAP customers can sort products to show eligible items, and a "SNAP Eligible" label will appear within the product details. At checkout, customers can select the "Apply SNAP Benefits" option and select the amount to charge to their EBT card, allowing personalized budgeting throughout the month.

"Offering EBT payment online is an integral part of Stop & Shop's commitment to serving our communities," said Gordon Reid, President of Stop & Shop. "We're proud to make accessibility to healthy food easier and more convenient, especially for those impacted by the pandemic."

"Connecticut's SNAP program heartily welcomes Stop & Shop to our online purchasing initiative, which is making healthy food more accessible to many of our 209,000 enrollees," said Department of Social Services Commissioner Deidre S. Gifford. "With over 90 stores beginning online ordering for pickup or delivery, Stop & Shop will join our other participating food retailers in boosting the availability of food for families and individuals, including older adults and people with disabilities who may have challenges getting to the store. We invite SNAP enrollees and the general public to learn more about online purchasing at www.ct.gov/snap."

Connecticut SNAP customers can use their benefits to purchase eligible food and grocery items for online orders; however, they will need to use an alternative credit/debit card or checking account for any items not eligible for SNAP, as well as for fees, taxes, or driver tips. Stop & Shop Pickup orders are subject to a \$2.95 fee. Stop & Shop Delivery orders are subject to a delivery fee of \$9.95 for orders less than \$100 and \$6.95 for orders greater than \$100. As they always have, customers with SNAP benefits are also able to use their EBT card for eligible food and grocery purchases at any of Stop & Shop's 400+ stores. Additionally, customers that prefer to use the Instacart marketplace may now also use their SNAP benefits to purchase grocery items from Stop & Shop at www.instacart.com/StopandShop.
